

ARMY NURSE CORPS DEPUTY CHIEF VISITS WEED ARMY

COL Vinette Gordon visited Weed Army Community Hospital on 25 July 2013 to assess the Patient CaringTouch System in our organization. Gordon visited the inpatient units, Mary E. Walker Center and the Javier Villanueva Troop Medical Clinic and held meetings with junior officers and supervisors.

During her visit, she gave a briefing on updates to Army Nursing and answered questions from attendees. Gordon also gave coins to recognize staff that emulate Corps values and were integral to the implementation and sustainment of the PCTS model of nursing care. Gordon commended WACH Staff on multiple “pockets of excellence” throughout the organization and urged them to continue to lead the way in PCTS sustainment.
